As part of the global partnership between Aston Martin and Total, recent tests confirm that Total engine oils are approved and specified for use in V8 and V12 naturally aspirated engines.. We have issued this Policy Letter to tell you the factory recommended engine oils to use. Refer to Table 1 for the specified engine oils to use in Aston Martin Vehicles.

**Recommended Engine Oils for V8 and V12 Naturally Aspirated ...**  
This 1957 Aston Martin DB Mk III looks perfect in BRG paint, and came ordered from the factory with a Smiths oil temp gauge, front disc brakes, and dual exhaust. We like that it hides a set of 45mm Weber carbs under the hood, and a modern 5-speed Tremec gearbox. We love the upgrades here as much as we did with the black DB that we featured in August before it sold for huge cash.

**Private-Party Enhanced 1957 Aston Martin DB Mk III | Bring ...**  
The ultimate and most highly refined variant of the successful Aston Martin DB2/4, the Mark III was introduced in March 1957 and produced through July 1959 in both fixed and Drophead coupé form. By modifying the rear of the chassis and reducing fuel tank capacity from 19 to 17 gallons, sufficient space was found within the existing DB2 design for two child-sized occasional rear seats.
