A Family Affair: Truth In Lies
Rich society husband dies in a car accident leaving behind a wife a daughter and a secret mistress/daughter combo. But the author spins a dose of originality into the mix by involving other family members, outside love interests, and by blurring the lines between victims and villains. A Family Affair is the first book in the Truth in Lies series.

Real families aren't always the ones you know about.... When Christine Blackworth's larger-than-life father is killed on an icy road in Magdalena, New York, a hundred miles from the 'getaway' cabin he visited every month, she discovers a secret that threatens everything she's always held to be true. Her father has another family which includes a mistress and a daughter.
