Since then, I've been dedicated to educating and empowering women and men who struggle with all forms of binge eating. My first book, Brain over Binge: Why I Was Bulimic, Why Conventional Therapy Didn't Work, and How I Recovered for Good (2011), became a goal of mine during my worst days of bulimia. I vowed that if I ever found a way to recover, I'd write about it in the hope of helping even one person struggling with the same horrible problem.
