### Brainstorm Detective Stories From The

Brainstorm follows the stories of people whose medical diagnoses are so strange even their doctor struggles to know how to solve them. A man who sees cartoon characters running across the room; a girl whose world turns all Alice in Wonderland; another who transforms into a ragdoll whenever she even thinks about moving.

### Brainstorm: Detective Stories From the World of Neurology ...

The stories in this book come from the authors experience with patients. The mystery and insight is because the patient ailments are in the brain, often epilepsy. Reading these stories helps me understand how central our brains are to all we do and are. And it helps appreciate how shocks to the brain can produce unanticipated consequences.

Mystery in Space is the name of two science fiction American comic book series published by DC Comics, and of a standalone Vertigo anthology released in 2012. The first series ran for 110 issues from 1951 to 1966, with a further seven issues continuing the numbering during a 1980s revival of the title.
