Broken Heartland: The Rise of America's Rural Ghetto ...

A study of America's farm crisis and the human cost behind the extinction of medium-sized family farms. Free-lance writer Davidson mixes economic analysis with journalistic anecdotes to arrive at a compelling picture of one of this country's most pressing problems. Davidson's hypothesis is that the country is facing nothing less than the extinction of its integral values of work, family, and ...

Rise of the Broken

History of science - History of science - The rise of modern science: Even as Dante was writing his great work, deep forces were threatening the unitary cosmos he celebrated. The pace of technological innovation began to quicken. Particularly in Italy, the political demands of the time gave new importance to technology, and a new profession emerged, that of civil and military engineer.
