Business Law- An Introduction

Business law attorneys specialize in transactional work, meaning they do not represent clients in court. In fact, business lawyers are often hired for the purpose of avoiding future litigation. To understand the role of business law within the legal system, it helps to view businesses as entities separate from their owners and employees.

Business Law - HG.org

Business Law governs the world of commerce. We call all these rules as Business Law or Commercial law. The Business Law governs all dealings of businesses and the conduct of people associated with such businesses. In India, some of the Business Laws followed are from the pre-independence era, however, newer Business Laws are always being passed.
