Fao Irrigation Manual

The first edition of the Irrigation Manual was published in 1990 in two volumes by the "Smallholder Irrigation" Project (UNDP/FAO/AGRITEX/ZIM/85/004). The authors of this first edition were FAO Staff on the project. This edition of one hundred copies ran out within two years from publishing. Although the manual was written with Zimbabwe in mind, it soon became popular in several countries of the sub-region.
