transmission fluid level dipstick again and view the end of the stick to determine the fluid level within the transmission. Two marks are located on the dip stick marked "MAX" and "MIN." If the fluid level is between these two marks on the dipstick, the fluid is at the correct level within the transmission.

Escort Transmission Fluid | It Still Runs

Checking the transmission fluid in your Volkswagen isn't as simple as it used to be. To check the transmission fluid level requires your vehicle to be on a lift that it can be set level on. With the engine running and transmission warm, a plug has to be removed from the bottom of the transmission pan.
