Though it might not always make sense while we're in the thick of things, it will make sense in hindsight. What might help in this zone: 1) Start small, don't burn out.

How to Make Sense of 2020. Change & transition insights to ...

Change management (sometimes abbreviated as CM) is a collective term for all approaches to prepare, support, and help individuals, teams, and organizations in making organizational change. The most common change drivers include: technological evolution, process reviews, crisis, and consumer habit changes; pressure from new business entrants, acquisitions, mergers, and organizational restructuring.

Change management - Wikipedia

One of the ironies of implementing a change management methodology across the enterprise is--it requires change management! Even if you see the obvious benefits of applying structure on the people-side of projects, the fact is that you are introducing a new way of operating, and it brings with it all the challenges of implementing any other kind of enterprise-wide change: the need for ...
