### **Political Philosophies in Moral Conflict**

Thomas Hobbes's moral and political philosophy is constructed around the basic premise of social and political order, explaining how humans should live in peace under a sovereign power so as to avoid conflict within the ' state of nature '.

### **Hobbes's moral and political philosophy - Wikipedia**

Moral, social and political philosophies are fields that share similarities with one another. The most basic and common characteristic found in all three fields is the role and significance of these fields in the manner by which human beings conduct intrapersonal and interpersonal relationships, with one's self, with one another and with the community.

### **Moral, Social and Political Philosophy , Sample of Essays**

Here we seem to have a special case of the conflict between psychological egoism and morality's other-regarding or altruistic demands. Bentham is not unaware of this tension. He addresses part of the problem in the political context in other writings, notably his Plan for Parliamentary Reform (1817). In the political context, the problem is how we can get self-interested rulers to rule in the interest of the governed, as utilitarianism implies that they should.
