Spiritual Interpretation Of Scripture

The Scriptures of the world seem to tell of two powers because they have been taken literally instead of interpreted in the light of spiritual inspiration. This has brought about a belief of separation between God and man, and this sense of duality is the root of all discord. So says Joel Goldsmith in Spiritual Interpretation of Scripture.

Biblical interpretation is the process one uses to understand what the author of scripture meant by what he wrote. There is a huge problem with biblical interpretation in the church today. We don't all use the same method of interpretation. To put it another way, we don't all follow the same directions when we do biblical interpretation.

5 Methods of Biblical Interpretation (Which is Yours?)

Biblical passages must be interpreted according to the intention of the author and in the context in which the statement is made. Interpretation must be distinguished from application. One must be sensitive to what type of literature one is in and how this may or may not apply to a believer in the church age.

Throughout the scriptures we get the fascinating job of uncovering the clues to a spiritual meaning. Sometimes they are more direct, and sometimes they are more subtle. In the case where they are more subtle, the meaning is still very clear, but we may have to ...

The Spirit of the Scripture - Unveiling the Bible

Some churches claim to believe the Bible, but their interpretation is always filtered through the established traditions of their church. Where tradition and the teaching of the Bible are in conflict, tradition is given precedence. This effectively negates the authority of the Word and grants supremacy to the church leadership.
