Phillips on The Well and the Mine The Well and the Mine is the story of one Depression-era family in an Alabama coal-mining town, and the single night that forever changes their view of the world around them. While the Moore family and their story are a product of my imagination, the world they live in was very real.

old Tess, there is so much more to this story than that alone.

The Well and the Mine by Gin Phillips - Goodreads

Gin Phillips' award-winning debut novel transports readers to a bygone time and place and introduces a cast of characters that comes vividly alive in all their humor, grace, and humanity.

Reminiscent of the

The following is an excerpt from The Well and the Mine

(Hawthorne Books, 2008) by Gin Phillips.

After she threw the baby in, nobody believed me for the longest time. But I kept hearing that splash.

The back porch comes right off our kitchen, with wide gray-brown boards you can lose a penny between if you're not careful.
